Welcome to our dental practice! We appreciate the confidence and trust that you have placed in us. Please know that your needs are our highest priority. We welcome new patients, and are committed to doing everything possible to provide you with high quality dental care at an affordable price and to making your visit to our office as pleasant and comfortable as possible.

We have three caring, experienced dentists in our office. Dr. Kate Pavlick is here on Monday and Wednesday. Dr. Kaitlin Johnston is here on Tuesday, Thursday and Friday. Dr. David Pavlick is here Monday through Thursday. Our regular office hours are Monday through Thursday 7:30am to 5:30pm and Friday 7:30am to 2:30pm.

Our philosophy of care governs everything we do for you. It consists of the following elements:

- A comprehensive approach to oral health utilizing a broad spectrum of services in combination with each other to maintain optimum health and wellness. Our services range from preventative and periodontal soft tissue maintenance to restorative and cosmetic procedures. We attempt to preserve one's natural dentition when possible employing such services as root canal therapy and crowns but also replace teeth that have been lost utilizing implants, bridgework, dentures and partials. For your comfort, we offer nitrous oxide sedation for a nominal fee. We offer pediatric dentistry for our youngest patients, as well as comprehensive orthodontics and Invisalign, clear aligner orthodontics.
- At your initial appointment, we will take the time to get to know you and discuss your dental needs and desires. We will listen closely to your concerns and conduct a thorough, comprehensive examination. Before any treatment begins, we will sit down with you and advise you of your options so you can make an informed choice regarding the best course of treatment for your specific needs. We respect our patients, and our goal is to provide you with the highest quality care in an atmosphere of mutual trust.
- We accept most insurance and dental plans and only estimated co-payments are due at the time of service. We are a Preferred Provider for Delta Dental, Cigna, Aetna, Aultra, Guardian, Superior Dental, UMR and United Concordia.
- We offer an in-office discount savings program for our uninsured patients called The Pavlick Dental Wellness Program.
- We provide easy financing for major dental work.
- We appreciate the value of your time, and we know the importance of a well-controlled budget. We request, from you, equal consideration in keeping appointments on time and in meeting the agreed upon financial arrangements. If it is necessary to reschedule an appointment, please extend us a 48 hour notice so the time reserved for you may be given to someone else. We reserve the right to charge a \$50.00 fee for short notice cancellations and broken appointments.
- For your protection our office follows all infection control guidelines of the American Dental Association, OSHA and the Centers for Disease Control. In addition, all staff members attend regular yearly continuing education courses on infection control procedures and HIPPA compliance.

Thank you again for choosing us to serve your dental needs. We look forward to a lifetime of continuing care for you and your family.
